months, and it is possible that the voting Boyce, the Hos. Kezz Boyce, of Charlesmonths, and it is possible that the voting power of ignorant tramps would be greatly reduced. What says our Peters burg contemporary, who has joined us in opposing a resort to a property or to an educational qualification of voters?

Volapue—We have for years borne our testimony against the visionary proposition to get the whole world to adopt an artificial language. If it had been proposed to make English a universal language, or even German or French, there would have been some merit in the proposition. English is already the native language of more than a hundred

Boyce, the Hou. Keer Boyce, of Charles-ton, Keer Boyce, of Charles-ton, James Periodul—named after the distinguished lawyer of that name—was born January 11, 1827, died in 1804, leaying this son to be the acting executor of an estate which might have seemed enough to engross all his talents and energies. But that very year, at the Georgia Baptist Convention, in Washington, Ga., Mr.

Royce entered with great earnestness into the plan of founding a theological seminary for the South. The next year, 1855, he left the Columbia church to become professor of theology in Furman University of South Carolina. In 1856 he delivered an address entitled "Three Changes in Theological that the case of the brig Josefa against the spanish Government for ladignities, &c., alligated positively at the Department of State today that no demand for indemnity has been made in the case of the steame—was born damnary 11, 1827, died in 1804, leaying this son to be the acting the case of the steame—was born damnary 11, 1827, died in 1804, leaying this son to be the acting the case of the steame Hayer that no demand for indemnity has been made in the case of the stated positively at the Department of State to add the Department of State to add the case of the steame Hayer to demand \$250,000 indemnity. The Secretary Bayard to demand \$250,000 indemnity. The Secretary Bayard to demand \$250,000 indemnity has been made in the case of the steame for the language of the made in the c

The policies in naby the Democrats. The policies in nanone will be more fragrant with such associadegree and the corrected by the Corrected, but so far

that the remark is true—that the "Hanover's" article on "The Agriuse would in any election in which cultural Experiment Station" will be was decailed about four and a half miles from Seims, and two cosches were partially turn-ed over and the passengers badly shaken up but nobody was seriously nurt.

HORNER SCHOOL.
(ESTABLISHED IS:

> The New Cruiser Vesuvius, [Hy telegraph to the Dispatch.]

Philabellenia, December 28.—The new dynamite emiser Vesuvius, which left Craum's ships and vesterial for the Delaware bay, there to have a test of her speed, returned to the ship yard at 1 o'clock this Garon, N. C. momic questions and deposit their ballots without feeling the least concern as to whether the men for whom they vote advocate a repeal of the tolsacco tax or its increase to forty cents per pound. Briefly, the negroes have no creed on any such subject as the tariff, the tax on toto to take one. The Philadelphia North American and the Vesiums returned to the city. They would as hef vote for a tariff doing away with all protection to American laber as for a tariff protecting American South alone.

We will not say that the page would.

The Philadelphia North American and the Vesiums returned to the city flexible and another triat will be mide as soon as they are fitted, probably Thinsiday next. The horse-power developed at the time the air pump lever broke was 1,280. The board appointed by the Secretary of the Navy to test Wender if ex-Governor BEAVER'S and the speed of the vessel is composed of Lieu-nouncement about appointing influential tenants Cowles, Schroeder, and Fiske, and Benublican ex-Confederates on his staff there were also present several other officers

whipping thieves; and exceedingly hostile to any measure that would interfere with their exercise of the right of suffrage.

If the voters we have described are not machine voters, what are they? Why should anybody pretend to believe that they have on principle supported any of the measures advocated by the Republican party?

We should like for our Staunton contemporary to answer this question: Do you really believe that the negroes in Virginia would have voted for CLEVELAND if he had been standing upon the Chicago platform, or against Habrison.

SEE THIS! Ayer's Sarsaparilla—dollar a bottle—worth five dollars of any man's money. Either as a Tenic or Blood-purifier, Ayer's Sarsaparilla has no equal! Dr. James H. Stone, Tappan, Ollo, says: "I know of no alterative that gives so much satisfaction as Ayer's Sarsaparilla."

Ayer's Sarsaparilla.
